PROFESSIONAL SUMMARY

Master of Commerce graduate with hands-on experience in academic administration, institutional quality assurance, and research support within a university environment. Currently serving as Academic Assistant at CMS, JAIN (Deemed-to-be University), where responsibilities span NAAC/IQAC accreditation support, ERP-based academic operations, Teaching-Learning-Evaluation Plan (TLEP) coordination, Board of Studies (BoS) activities, research proposal and publication review, and institutional event and training coordination. Skilled in IBM SPSS and Advanced MS Excel for data analysis, with prior experience spanning HR administration, enterprise technical support, and higher-education teaching practicum. Author of four research papers spanning consumer behaviour, sustainability, and governance. Seeking to contribute to academic operations and finance-oriented institutional decision-making.

CORE SKILLS

IBM SPSS Software | Microsoft Excel (Data Analysis, Reporting) | NAAC & IQAC Compliance Support | ERP-Based Academic Administration | TLEP & Curriculum Documentation | Board of Studies (BoS) Support | Research Proposal & Publication Review | Event & Training Coordination | Stakeholder & Faculty Coordination | Critical Thinking & Attention to Detail

WORK EXPERIENCE

Academic Assistant *December 2025 – Present*

CMS, JAIN (Deemed-to-be University), Bengaluru

- **Institutional Compliance & Quality Assurance:** Supported NAAC accreditation preparation, IQAC (Internal Quality Assurance Cell) initiatives, and internal audit documentation, ensuring institutional records and processes met assessment and quality-review standards;
- Contributed to the Jain University Transformation initiative
- Attended and was a part of OBE, IQAC, IKS, and FDP (faculty workshops).
- **ERP Attendance Analytics:** Analyzed ERP attendance data across multiple specializations, producing specialization-wise reports that gave department heads a data-driven basis for academic decision-making.
- **Timetable & Scheduling Coordination:** Coordinated timetable planning and scheduling across semesters, specializations, faculty, and stakeholders, resolving scheduling conflicts per term to ensure on-time term commencement.
- **Academic Planning & Coordination:** Coordinated preparation, review of Teaching-Learning-Evaluation Plans (TLEPs) each semester; mapped institutional activities such as OBOW and Yukthi to their respective courses and semesters; and coordinated with external faculty for guest sessions and academic engagements.
- **ERP & Academic Operations:** Managed academic records, scheduling, and cross-departmental documentation through the institution's ERP (ENOVA).
- **Examinations & Admissions Support:** Carried out invigilation duties, coordinated Jain University entrance interviews, and accompanied students on industrial visits as part of experiential learning support.
- **Research & Publication Support:** Reviewed research papers and book chapters submitted by faculty for quality and formatting compliance; served as a member of the Research Committee and the PBS Team; and assisted faculty in developing and reviewing research proposals.
- Proposed a research article for submission to the National Commission for Women (NCW).

- **Events, Training & Institutional Engagement:** Coordinated institutional events and workshops, prepared training kits, compiled event reports, and sourced awards and recognitions to strengthen institutional visibility; assisted the Entrepreneurship and Sports departments with departmental initiatives.
- **Institutional Representation & Data Collection:** Represented CMS campus in university-wide data collection exercises, supporting institution-level reporting and benchmarking.
- Prepared academic and administrative reports for student records, maintaining accuracy and audit readiness for internal review.

Teaching Practicum *June 2024 – July 2024*

St Joseph's Pre-University Evening College, Bengaluru

- Delivered 19hrs of Business Studies lessons to Second Year PUC students as part of the M.Com teaching practicum, designing lesson plans aligned to the prescribed curriculum.
- Managed classroom engagement and assessment for the assigned cohort, receiving positive faculty feedback for diligence and subject clarity.

Admin Intern *July 2023 – October 2023*

CNH Private Ltd, Bengaluru

- Provided HR and administrative support across daily office operations, coordinating with internal teams to maintain workflow continuity.

Technical Support Representative *July 2021 – October 2022*

Kyndryl (IBM)

- Resolved enterprise client technical issues within defined SLA timelines, maintaining consistent service quality across cases handled.
